What was the "Spirit of 70" at Banning High School? It was many different things to many different people. To the Seniors it was a year to cherish and remember always, because it was a turning point in our lives--graduation. It was a year we had always dreamed about and never quite believed it was here when it came. To the underclassmen it was a time of new experiences and discovery along the road of education and growing up. To the administration it was another year of accomplishment in helping others to attain knowledge, to prepare them for the outside world. The "Spirit of 70" was the outside world itself and it's effect on us as individuals. It was the turning of a new decade, a decade that was filled with tumult and change. During this time we saw the assasination of five prominent, influential, American leaders. John F. Kennedy, Martin Luther King Jr., Robert F. Kennedy, Medgar Evers, and Malcolm X were all felled by the bullets of a sick-minded individual or individuals. Racial tension was high as schools all over America were desegregated, and minority peoples began to stand up for the rights granted them by the Constitution. Wars raged in many parts of the world, and the little skirmish in Asia became the very big conflict in Vietnam. The "Spirit of 70" was cheering for our team, being happy when they were victorious and still supporing them when they were defeated. It was mini-skirts, maxi-coats, moon landings, Soul music, the "Natural Look", beads, and Hippies.

The "Spirit of 70" was a time to love, to cry, to laugh, to feel; but most imorptant, it was a time that none of us will ever forget.

In Memorandum
Richard Wallis

July 16, 1952 — March 10, 1970

My mind is collecting
With thoughts so unclear
Of where you have gone
And what is so dear.
But the thought of forgetting
Is linguring with pain.

But though you have gone,
My tears will remain.

---Beth Hinkle

Bump in the Night

Homecoming was a week filled with fun and variety. The theme for Homecoming was Halloween and the students dressed accordingly on Costume Day. They dressed in an array of funny and unsuual costumes. Pam Lewis was chosen the peraon with the most amusing costume. Other activities included the Princesses selling cookies, Grub, Cosutme, and Color Day. The pie eating contest was messy but fun. The week was concluded with a pep assembly on Friday, October 31. Gary Courtney was crowned 'King Leg' by the Cookie Princess, Roberta Herrera.

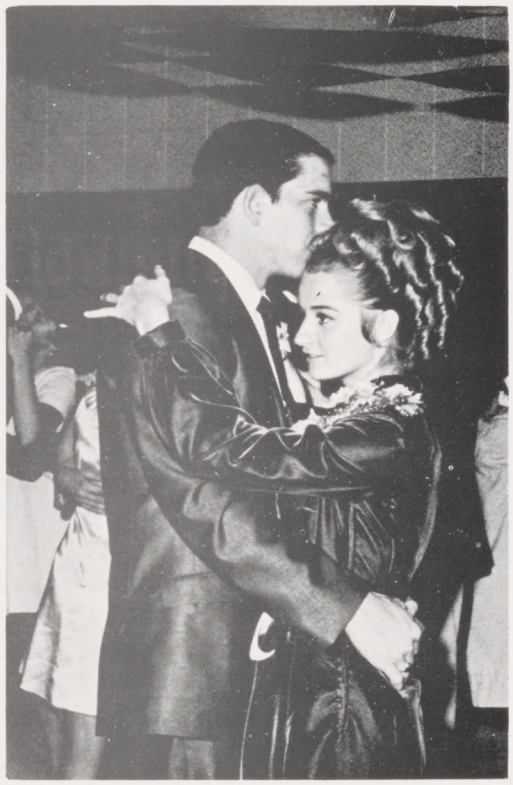
The Magic of Midnight!

The Homecoming dance on October 31, was a great success. "Midnight Magic" was the theme. The band, Thee Soulistics, played a variety of popular tunes. Since everyone was in a gay mood, the magic of midnight really decribed the dance perfectly. Queen Shirley and her escort, Mike Finney reigned over the dance with great splendor. The Homecoming dance for 1969 was truely a lot of fun.



Wish Upon A Star

King Bruce with date Susan Ruby

The Spinsters' Dance was held in the cafeteria on Feb. 28, 1970. The theme was "Wish Upon a Star" and the "The Glass Cage" played while everyone danced to their beat. The dance was sponsered by the Girl's League, under the direction of Mrs. Doyle.

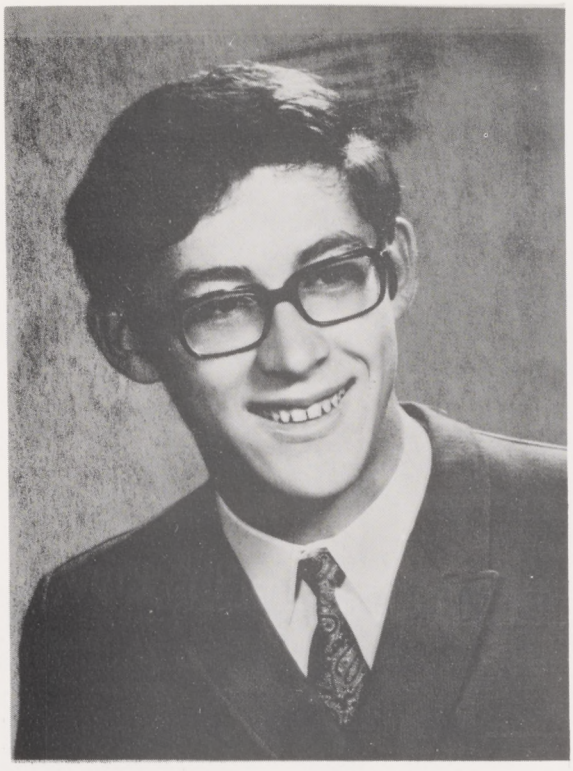
Our Friends



Pierre Haddad

When I first came to Banning it seemed to me like a dream. This impression stayed with me for a while This impression started from the moment we took off from France till some days after I arrived in Banning.The climax of this impression was when I met for the first time my American family in the Los Angeles airport. I could not believe the fact I was in the United States, in California, something I always thought about when I was in France, and A.F.S. gave me a real great opportunity--this opportunity to come to the United States and Banning and also to know other people, other customs, habits in brief another life.

Banning really impressed me when I first came--its situation; in a desert between two huge mountains; its weather, most of the time sunny, and its people that I find really nice.

It is a new life I have discovered, different by its people, by the way they live, I find this new life more exciting than the life I lead before in France--many activities in school which I enjoy very much, many activities outside school too.....parties.....

I really enjoy this new life and sometimes I am wondering if I don't prefer it to the life I have known in France, which seems to me---conservative.

Pierre Haddad

From Abroad

Kim Ahn Lee

Through many months in Banning, I have had a special affection with Banning.

The climate here is nice. It seems a little quiet in Banning. The streets aren't crowded. It's silence causes me a peace in my mind.

The people in Banning are nice. The relationship between teachers and students is very close. To me, this is good because students and teachers can sympathize with one another easily and there isn't any difference among them.

According to me, people here are very kind. I came here with their aid. If I didn't have such a wonderful help, I could not come over here. I will never forget Banning. It brings me a lot of good memories in my life. I would like to say Thanks to people in Banning for doing a great job for AFSers.

Though school here isn't very big but I like it. We have nice teachers and friends. I enjoyed the assemblies at Banning High.

If someone asks me "Do you like Banning?" I will answer "Yes" and if they ask me "How" I can say "I enjoy it very much". I had a lot of fun, here anyway.

Someday, I will leave Banning for my native land; I will be far away from it but not from sweet memories I had over here as well as the kindness of people in this town.

Banning always leaves a good impression in my mind.

Sincerely,
A.F.S. student from South-Vietnam

Gae is 5 feet 5 inches tall and weighs 116 pounds with brown hair and blue eyes. Among some of her hobbies are cheerleading, reading, and talking. Gae's ambitions are to major in political science and travel around the world. She plans to attend U.C. at Irvine or Stanford University.

Shirley Whitham (1st runnerup). Queen Gae, Eloise Norman (2nd runner up).

Assemblies

The "Spirit of 70" was carried out in our assemblies. Mr. Sharp came to B.H.S. and entertained us with his hypnotic powers. We saw girls turned to hula dancers and boys become Tarzan.

Bringing music to our ears the Mixed Company sang songs like "Get Together" and "Taste of Honey". The students were "turned-on" with the Company's beat.

The spirit ran high at B.H.S. pep assemblies. The Cheer and Songleaders promoted spirit throughout the year. Our soulful Santa made a Christmas visit to our basketball team and presented them with gifts of cheer.

Sing we for love and idleness,
Naught else is wœth the having.
Though I have been in many a land,
There is naught else in living.

Than do high deeds in Hungary

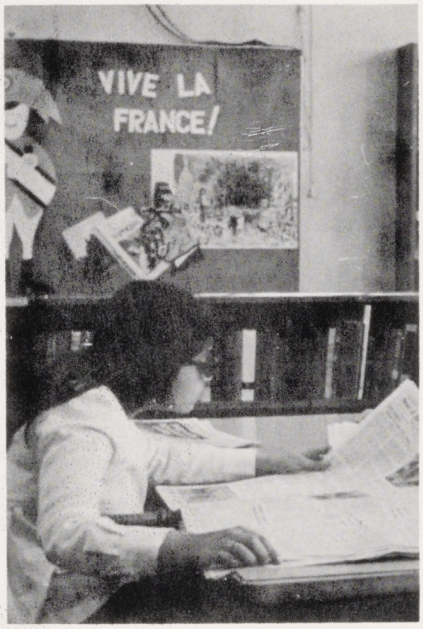
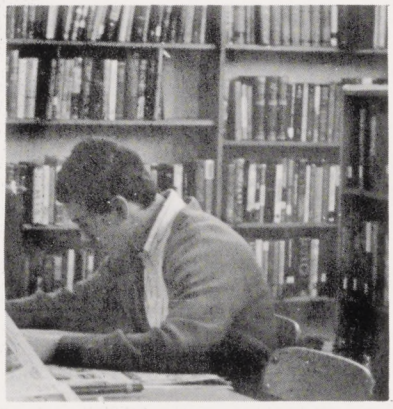
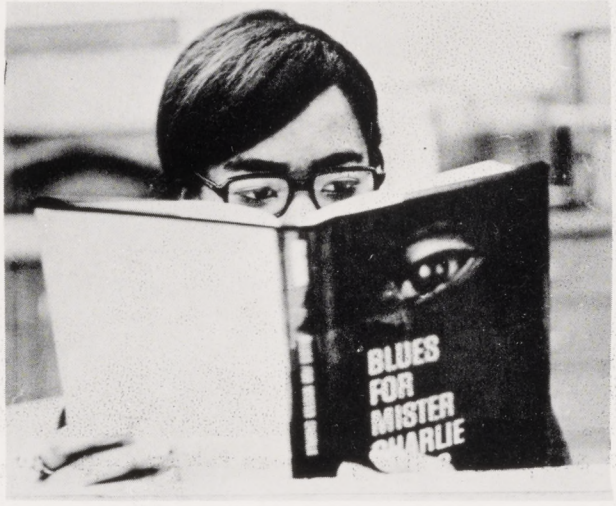
Moments of Happiness

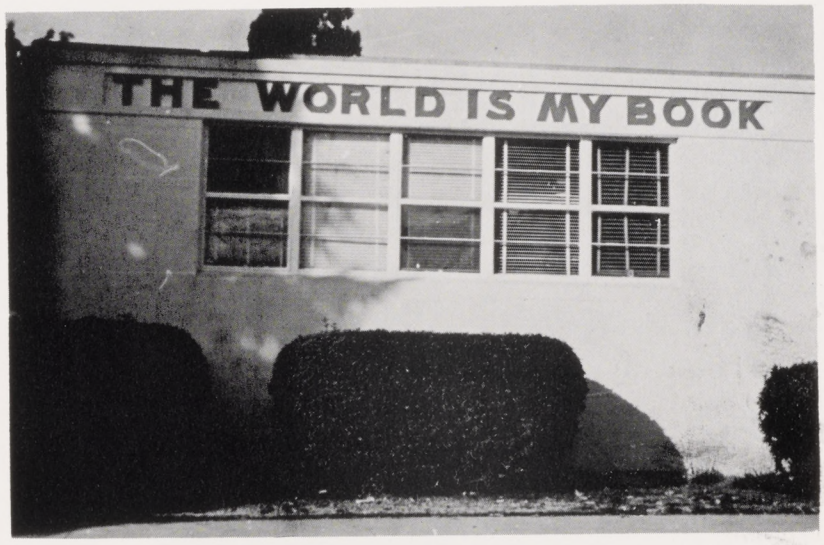


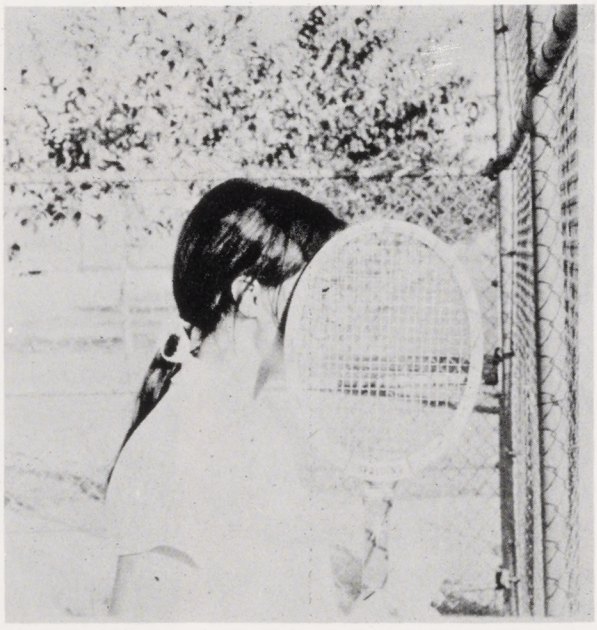


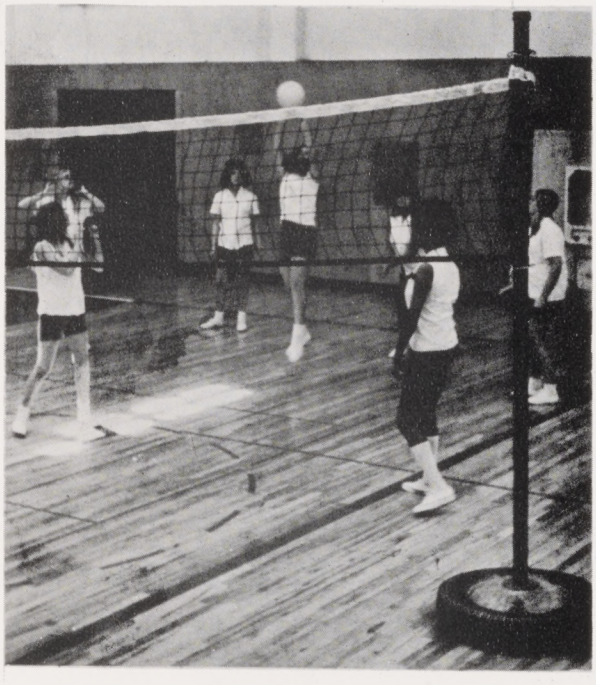
There is no frigate like a book
To take us lands away,
Nor any coursers like a page
Of prancing poetry.
This traverse may the poorest take
Without oppress of toll;
How frugal is the chariot
That bears a human soul!
--Emily Dickinson



I give you now Professor Twist,
A conscientious scientist.
Trustees exclaimed, "He never bungles!"
And sent him off to distant jungles.
Camped on a tropic riverside,
One day he missed his loving bride.
She had, the guide informed him later,
Been eaten by an alligator.
Professor Twist could not but smile.
"You mean," he said, "a crocodile."
--Ogden Nash







The time you won your town the race
We chaired you through the market-place;
Man and boy stood cheering by,
And home we brought you shoulder-high.

To-day, the road all runners come,
Shoulder-high we bring you home,
And set you at your threshold down,
Townsman of a stiller town.

Smart lad, to slip betimes away
From fields where glory does not stay,
And early through the laurel grows
It withers quicker than the rose.

--A.E. Housman

Sadness and Serenity

What passing-bells for these who die as cattle?
Only the monstrous anger of the guns.
Only the stuttering rifles' rapid rattle
Can patter out their hasty orisons.
No mockeries for them; no prayers nor bells,
Nor any voice of mourning save the choirs,--
The shrill, demented choirs of wailing shells;
And bugles calling for them from sad shires.
What candles may be held to speed them all?
Not in the hands of boys, but in their eyes
Shall shine the holy glimmers of good-byes.
The pallor of girls' brows shall be their pall;
Their flowers the tenderness of patient minds,
And each slow dusk a drawing-down of blinds.

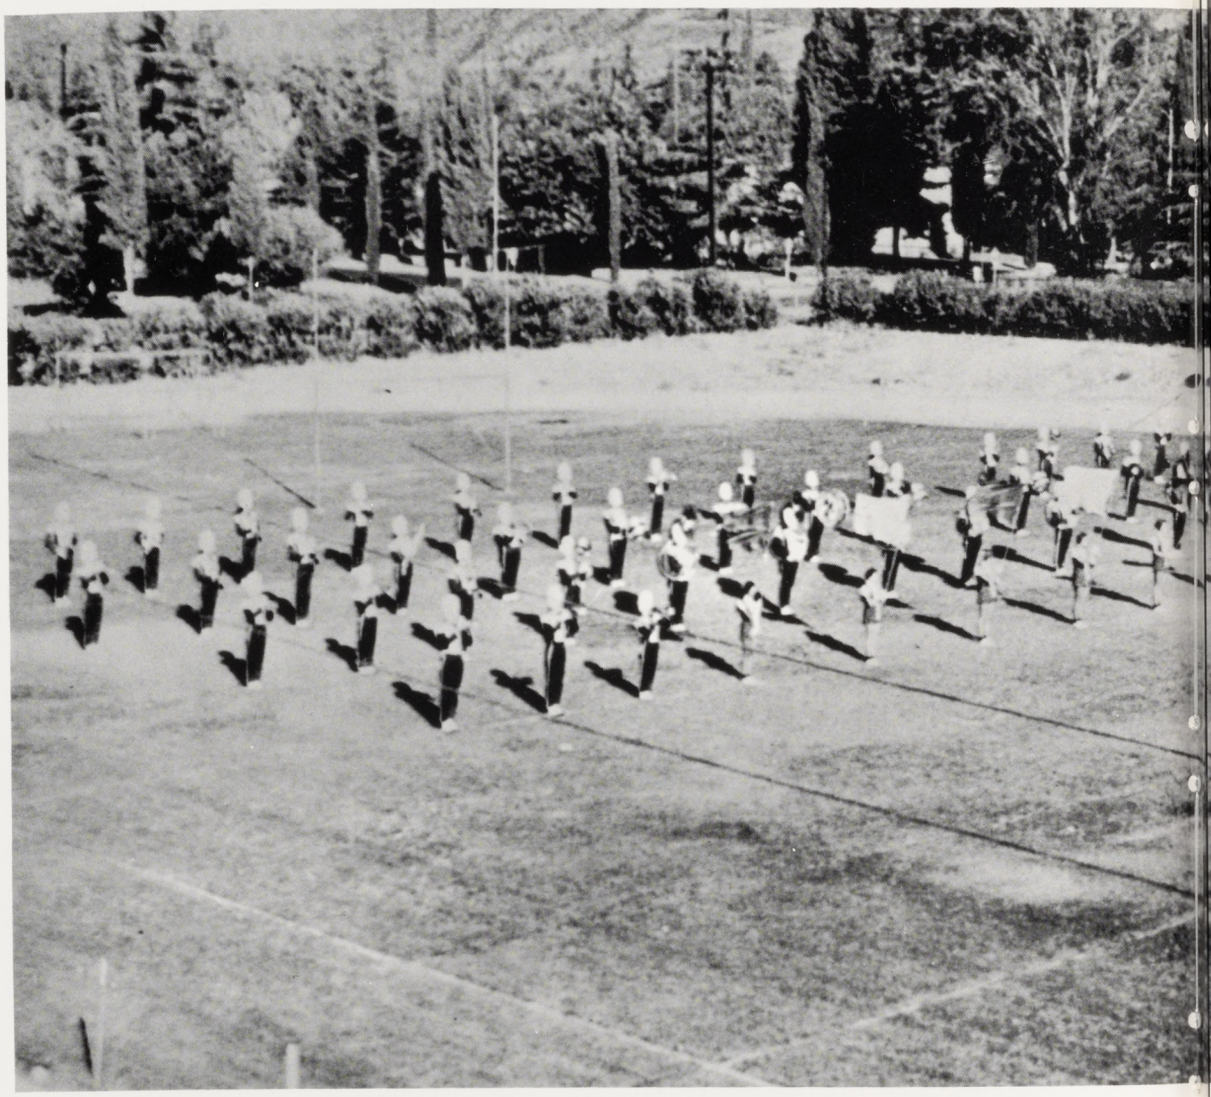
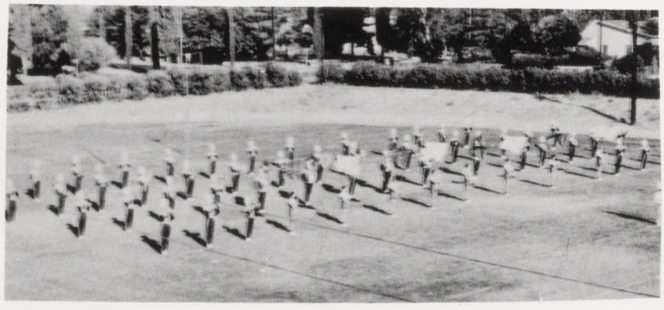
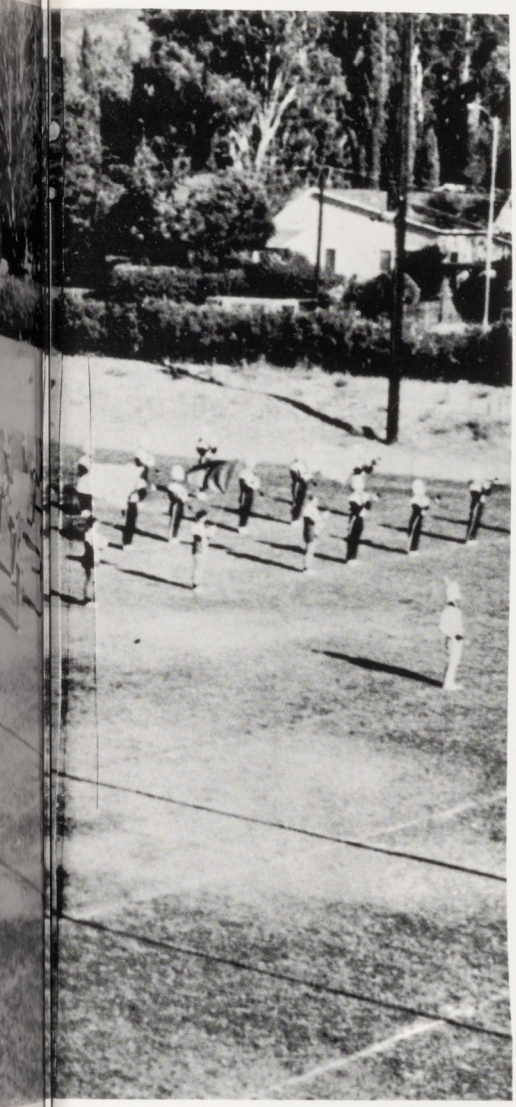
Marching Broncos Invited





To Perform at College Half-Time



The marching Broncos, under the direction of Mr. Grant Wolfe for the second year, did an exceptionally fine job this 69-70 season. The crowd would break into wild bursts of applause as this spectacular group marched onto the field, led by beautiful, Solo-Majorette Eloise Norman and hi-ste ppng Drum Major Tom Harrell, flanked by eight colorful flag girls carrying bright green and white, astin banners that flourished the star-studded, black night sky.

The Bronco fans were further delighted to see straight lines suddenly become a stage coach with human wheels or an airplane with a revolving propeller of girls.

Sound, harmonious and clear, filled the night air with songs like traditional "On Ole Banning", modern "Aquarious", "Let the Sun Shine In", "Spinning Wheels", "People", "Brass is Wild", "For Once in My Life", "Hawaii Five-O", and others.

Two historic events happened to the band this year. The Beaumont Cougar band and the Broncos performed together at the Banning-Beaumont football half-time show, which was a great success. The second event occured when the marching Broncos were invited to perform at a half-time at Mt. San Jacinto Jr. College, where they once again lived up to their fame.

Steild Dedication

On the chilly night of September 26, a standing-room-only crowd watched the halftime cerimonies dedicate the stadium to the memory of Mr. Jere D. Dudney, the late bronco coach.

The cerimonies were opened with invocation given by Father Charles Sinatra. Charles Titus then presented plaques to Mr. heslop, one to be presented to Mrs. Dudney and one to be placed inside the stadium in the future.

Father Sinatra summed up the feelings of everyone in the stadium during invocation. ''We hope that the Jere D. Dudney Memorial Stadium will always remind of a man, a person who was very real and very human, very kind and very friendly. We know that Jere D. Dudney Memorial Stad ium will always be a sign and a symbol for us of such a person.May this new sign in our community and the remembrance of this man and the qualities that he had. O God, much more could be said. Mr. Dudney is with us tonight-because rememberance is a form of meeting. As we thank you, O God, we thank him for showing us that the greatest good we can do for others is not just to share our riches with them, but to reveal theirs to themselves. this he did and this we pray we will do." Amen.

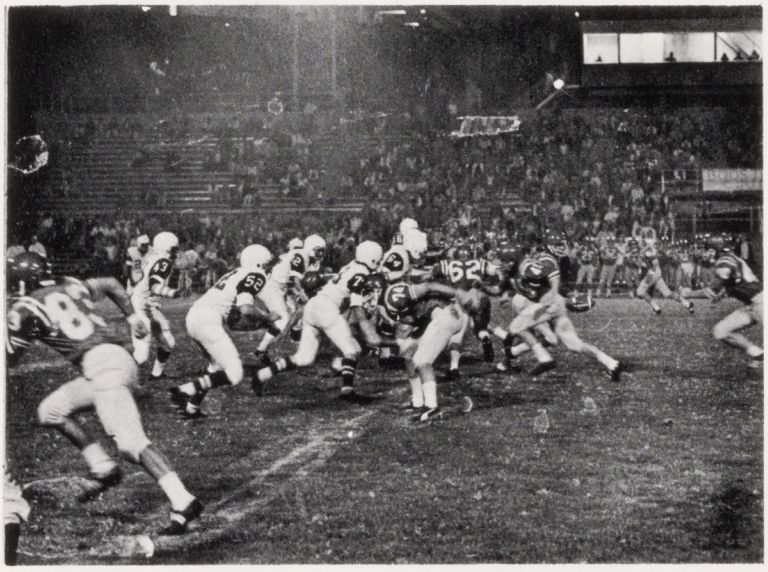
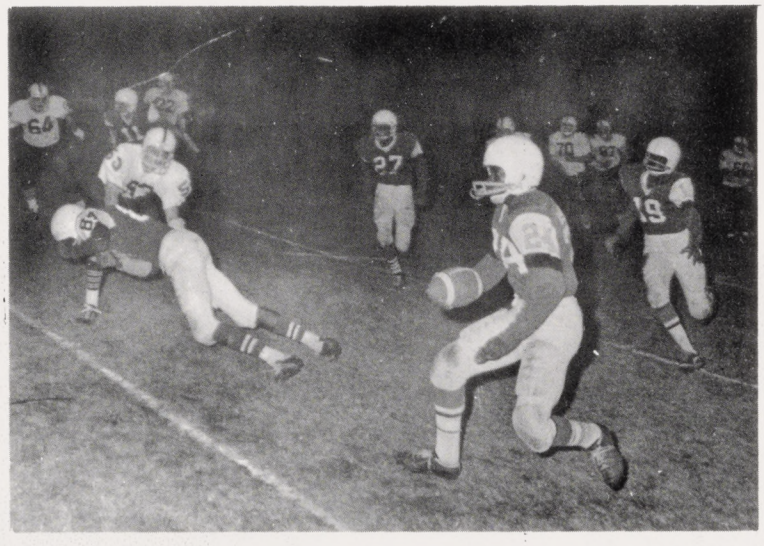
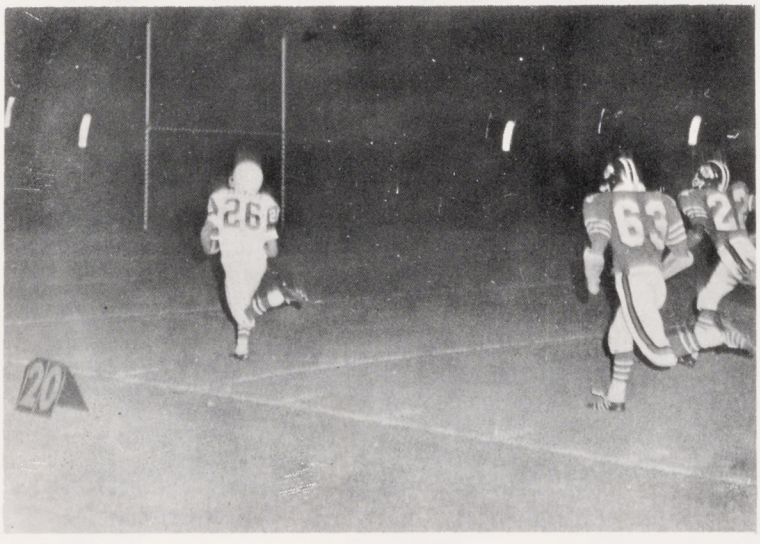
BRONCOS TAKE THE FIELD



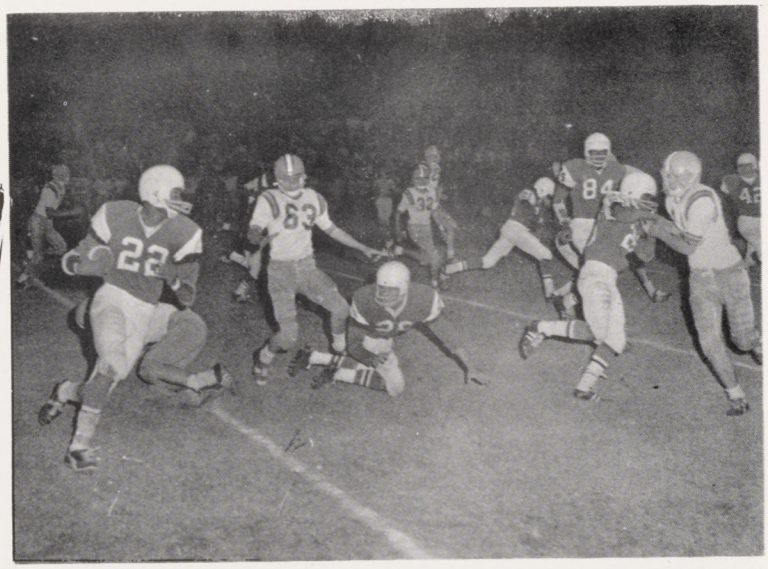
The Banning Broncos opened it's 69 football season against the Norte Vista Braves. Although it was a bit chilly, the Bronco spirit was still blazing. Even though the Norte Vista Braves romped over the Banning Broncos, 46-20, the team was backed by the solid support of the Bronco fans.

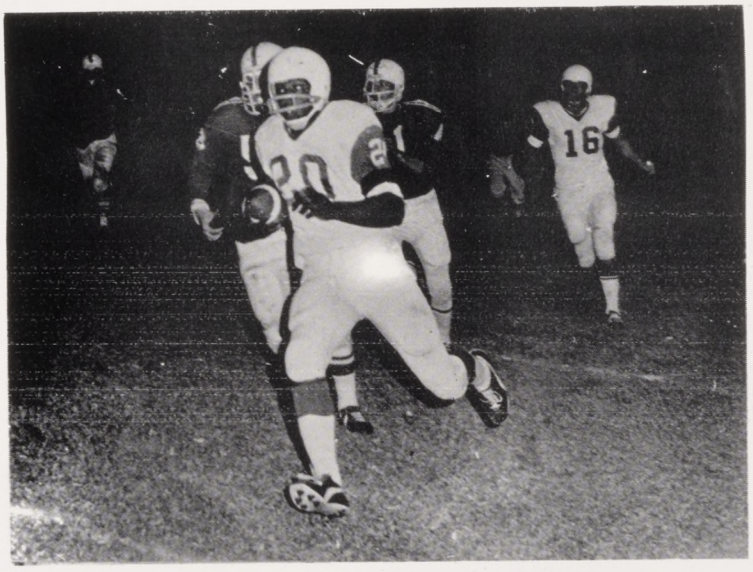
In the clash with the Bloomington Bruins the Bronco drive was put to a halt. The Broncos suffered mightly from penalties which nullified their potential scoring opportunities. The Bruins punchless offensive line throughout the entire game was too much of a handicap for the Broncos, ending with the score of 22-6.





The stampede between Banning Broncos and Palm Springs Indians put the Broncos down in defeat 22-8. The green and whites defensive showed considerable improvement ofer previous games played, but the red and whites were still too tough for the Bronco eleven.





The fantastic Banning Bronco running ability was the key factor in a 26-26 tie with visiting, arch-rival Beaumont Cougars. As a result of this hard-hitting but cleanly fought battle, neither school was qualified to be named "King of the Mountain."

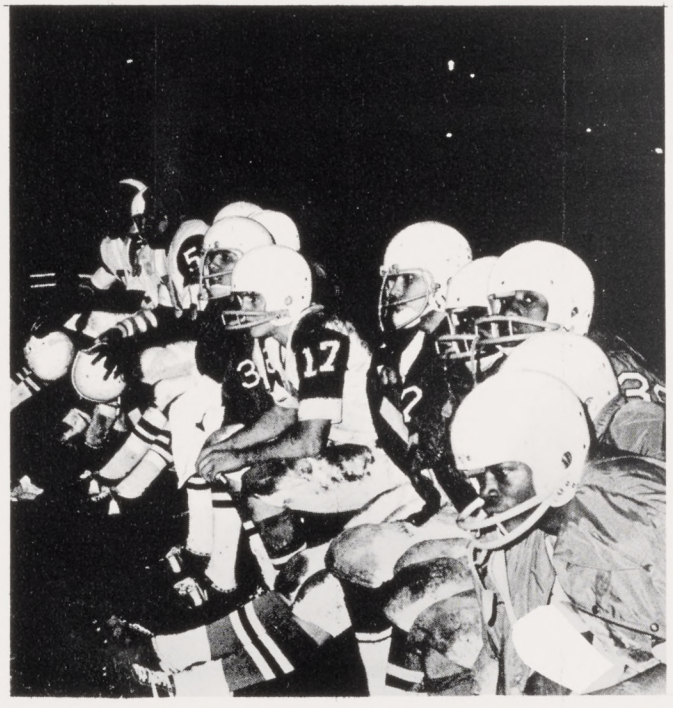
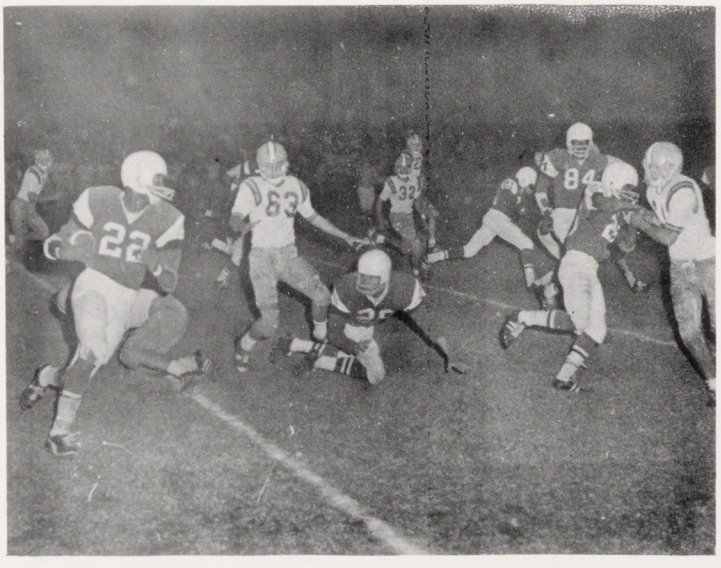
HOMECOMING 69





This clean November 7th night turned out to be the coldest nights ofthe season for the fans, and perhaps for the Broncos also as it seemed they couldn't get warmed up. At the hands of the Perris Panthers the Broncos went down in defeat 41-14. The Panthers and the muddy field gave the Broncos considerable amount of difficulty in the running plays.

With the victory achieved at the last game of the season the Borncos destriped the San Jacinto Tigers 42-12. A hard hitting line and the fast moving backs sent the Tigers home clawless.

Varsity Basketball

The 1969-70 Banning Varsity Basketball season was one of many ups and downs. Starting off with an opening season victory over 3-A power Norte Vista and ending with a loss to Calpatria in the first round of C.I.F.

In the pre-league games the Broncos sported an 8 wins 5 loss record. This included victories over Indio, Yucaipa, Yucca Valley, Beaumont, Sherman, Coachella and Norte Vista. Some of the losses were to Hemet, Palm Springs, Yucaipa, and Palo Verdes, all bigger schools than the Broncos.

In Tournament Play Banning finished Third in the Beaumont Tourney, with Bob Hargrave gaining an all-tourney berth. In the Banning Block "B" Christman Tourney, the Broncos finished fourth with junior DeWayne Austin gaining an all tourney berth.

In DeAnza League play the Broncos finished third with a 5-5 record. There were many disappointments in league with losses to Perris, and arch rival Beaumont. The highlights of league play were victories over Elsinore and Rim.

DeWayne Austin and Bob Hargrave were elected to the All DeAnza League Second team and John Robinson received Honorable mention.

After the league season the Broncos were fortunate to receive a chance to enter into the CIF playoffs. However the Broncos were defeated in the first round by Calipatria 71-68 to end the season.

The Broncos were led in the scoring department this year by juniors DeWayne Austin and John Robinson. Top rebounders were DeWayne Austin and Bob Hargrave.

Elected by their teammates as Co-Captains this year were Don and Rodger Foster. The MVP award went to Bob Hargarve, with David Echols receiving the Most Inspirational Award. The Broncos finished the year with a 13-11 record.
